

KALMESHWAR VINAYAK GURAV

Software Developer · Web Development · Cloud Computing · Python · Robotics

8310283569 ♦ Sarjapura, Bengaluru, Karnataka 562125 ♦ [linkedin.com/in/kalmeshwar-gurav-99a765371](https://www.linkedin.com/in/kalmeshwar-gurav-99a765371)

CAREER OBJECTIVE

Enthusiastic and dedicated BCA graduate seeking an entry-level position in a reputed IT company where I can apply my foundational knowledge in Full Stack Web Development, Python, Cloud Computing, and Robotics. Committed to continuous learning, I bring a strong work ethic, adaptability, and genuine passion for technology to every project.

EDUCATION

Bachelor of Computer Applications (BCA)

The Oxford College of Science, Bengaluru | Graduated: 2025

Relevant Coursework: Data Structures, Web Technologies, Database Management, Computer Networks, Operating Systems, Software Engineering

INTERNSHIP EXPERIENCE

Technology Intern | Indus International School, Bengaluru

Duration: 2024 – 2025 · Bengaluru, Karnataka

- Web Development:** Built and maintained web pages using HTML, CSS, and JavaScript as part of the school's digital initiatives.
- Python Programming:** Wrote basic Python scripts to automate repetitive tasks and assist in data handling workflows.
- Robotics:** Participated in robotics sessions, gaining hands-on exposure to how hardware and software components interact.
- Full Stack Basics:** Assisted in developing simple full stack applications, understanding front-end and back-end integration concepts.
- Teamwork:** Collaborated with mentors and peers on technology demonstrations, improving communication and problem-solving skills.

CERTIFICATION

AWS Certified Solutions Architect | Amazon Web Services

Foundational understanding of AWS cloud services including core concepts of compute (EC2), storage (S3), networking, and cloud security. Demonstrates commitment to learning modern cloud infrastructure.

TECHNICAL SKILLS

Programming Languages	Python (Basic), JavaScript (Basic), HTML, CSS, SQL
Web Development	HTML5, CSS3, JavaScript, Basic Full Stack Concepts, Responsive Design
Cloud Computing	AWS Basics (EC2, S3, IAM), Cloud Architecture Fundamentals
Robotics	Basic Robotics Concepts, Hardware-Software Integration (Hands-on Learning)
Tools & Platforms	Git (Version Control), VS Code, Linux (Basic), MS Office
Soft Skills	Quick Learner, Team Player, Problem Solving, Communication, Adaptability

WHY HIRE ME

As a fresh graduate, I offer something valuable: **eagerness to learn, grow, and contribute from day one.**

- ▶ Hands-on exposure to multiple technologies through internship — web dev, Python, robotics, and cloud basics.
- ▶ Fast learner who can pick up new tools and frameworks quickly in a professional environment.
- ▶ Reliable team player with experience collaborating in real-world school technology projects.
- ▶ AWS certified — demonstrates initiative in self-learning beyond the college curriculum.
- ▶ Passionate about technology and eager to build a long-term career in the IT industry.
